

Meet your retirement plan's new mobile app: USICG Retirement Plan

Managing your retirement account on the go has never been easier. You can use the app to proactively manage your money, access resources and take steps to secure your financial future.

For illustrative purposes only.

Key features

- Use biometrics (fingerprint or facial recognition) to log in conveniently and securely.
- Check your account balances, portfolio performance and recent transactions.
- Manage your investment elections.
- Research investment performance.
- View educational videos about saving and investing principles.
- Manage beneficiaries and other profile information.

Download today*

Click on the app store links or open the **Apple App Store®** or **Google Play™ Store** on your mobile device, search for "USICG Retirement plan" and install the app. Then simply log in using the same credentials you use to access your account online.

*Please note that in order to use the USICG Retirement Plan app, you need to have a retirement account with USI Consulting Group (USICG).
